Other Products Serving the VC/PE Space

The 'VC Guide for India' is a focused, targeted, comprehensive and easy-to-use resource for entrepreneurs, management, consultants, and advisors. It is the most effective directory of its kind in India, providing not just general information, but also investment criteria information about venture capital and private equity practitioners interested in India. Published once a year, the Guide is an indispensable resource for serious players.

The 'IVCJ's Private Equity Journal for India' is the prominent source for accurate news, analysis and development in the Indian Venture Capital and Private Equity space. As a quarterly journal, the publisher endeavours to produce quality research and analysis from its own editorial and research team, and by participants and academia who wish to share their knowledge and research.

Dickenson Intellinetics' e-news service, 'India Daily Snapshot' is a free daily news service targeted to VC/PE practitioners and related institutions across the globe. This e-news service gives a brief synopsis of all the VC/PE/M&A and Real Estate activities in India on a daily basis. New investments, funds, feature articles, people, exits and more - you will find it all here.
