

Enter the future of Knowledge Processing

Take up a new age profession in FINANCIAL and SECTOR ANALYTICS

OUR DOMAIN

Focusing on cutting-edge research & consulting, **dickenson intellinetics** is a leading knowledge publisher, currently servicing the world of private equity and venture capital.

By publishing a yearly Guide; an insightful quarterly Journal; and a weekly news service of the highest quality for the Venture Capital and Private Equity market-place in India, **dickenson** is fast becoming the de-facto centre of gravity for business intelligence in this area. We are also a place where leading corporates come to for their investors communication needs.

You can be a part of our specialised team of researchers covering corporate and sector performance analysis. If you are a hard-working fast-track learner with unbound curiosity, you can be part of a cutting edge team that is positioned to excel in this space.

ICICI Bank, HDFC Bank, IL&FS Investment Managers Limited, Crisil Limited, Lupin Limited, Castrol India Limited, Blue Star Infotech and the Welspun Group are just a few names on our list of blue-chip clients. With **dickenson**, you can be part of a team that leading corporates across India are looking to depend on for their critical assignments.
